

REMARKS

This Amendment is filed response to the Office Action mailed Jan. 22, 2009. The Applicant believes the case is in condition for allowance and respectfully requests issue of a Notice of Allowance. To the extent any objections or rejections are still applicable, they are respectfully traversed.

Claims 2, 4-7, 13-15, 17, 19, 20, and 26-29 are pending in the application.

Claims 17, 19 and 20 have been amended.

No new claims have been added.

Allowable Subject Matter

At paragraphs 4 of the Office Action, claims 2, 4-7, 13-15 and 26-29 were allowed.

Claim Rejections – 35 U.S.C. §101

At paragraphs 2-3 of the Office Action, claims 17, 19 and 20 were rejected under 35 U.S.C. §101. Specifically, the Examiner suggests that the term “computer readable medium” may read upon electromagnetic signals per se, and suggests amending the term to read “computer readable storage medium.” The Applicant has amended claims 17, 19 and 20 in accord with the Examiner’s suggestion. Accordingly, the Applicant believes there should be agreement that claims 17, 19 and 20 are statutory.

Should the Examiner believe there are any remaining issues that may delay issue of a Notice of Allowance, the Examiner is invited to contact the undersigned attorney at (617) 951-2500, in hopes such potential issues may be addressed in an expedited manner.

In summary, all the independent claims are believed to be in condition for allowance and therefore all dependent claims that depend there from are believed to be in condition for allowance. The Applicant respectfully solicits favorable action.
